MESSAGE FROM THE PRINCIPAL

Dear Students,

Congratulations to Team Comascent for their annual yearbook - Reflections. This is a wonderful endeavour to capture all the beautiful moments shared together and to bring to us a visual display of Fantasy, Fiction, and Universe. It is this creativity that makes each one of you unique, to create a gift that will transcend time and bring a smile to your face whenever you will flip through all the precious memories.

As the time of the outgoing batch with us comes to a close, I on behalf of Gargi College would like to take a moment to express our appreciation for all that you have brought to our community. You have enriched our classrooms, challenged our ideas, and inspired us with your passion and curiosity.

As you move on to the next phase of your journey, Gargi encourages you to take with you the lessons you have learned, the memories you have made, and the friendships you have formed. Cherish the experiences you have had, both the triumphs and the challenges, as they have shaped you into the person you are today.

Your teachers have every confidence that you will go on to achieve great things, and we can't wait to hear about all of your successes. Remember that you will always have a home here, and that we will be cheering you on every step of the way.

Keep in touch, and best of luck in all of your future endeavors.

Best wishes,

Prof (Dr) Sangeeta Bhatia

Principal (Offg.)

MESSAGE FROM THE TEACHER IN-CHARGE

Dear students,

Congratulations to you all on being Graduates.

It is with a deep sense of pride and gratitude that I bid you farewell as you embark on yet another fascinating journey of your life. Your 'never give up' stand enabled you to reach this far.

I am always inspired by seeing your happy and vivacious faces smiling even in the winter with a cappuccino in hand every day in class or in front of the Nescafé. I hope that these years have been conducive for your growth and now you are better prepared to accept the many challenges that come with life.

If I were to encapsulate the essence of college learnings that I would like you to take with you, it would be that- life is going to be what you make of it. It will be defined by the people who you keep close, the experiences and memories you make and most importantly the opportunities you create for yourself.

I hope you rise up the ladder of success, wherever it may be. Remember to stay in touch, we will always be just a text or a call away.

Wishing you all the very best for your future endeavours. Stay blessed!

The background is a collage of various images. At the top, there's a map showing parts of Europe and North America, with labels like 'LONDRA', 'PARIGI', 'NEW YORK', and 'FRANCO'. To the left, there's a close-up of a camera lens. On the right, there's a person in a white shirt. At the bottom, there's a crowd of people. A large, solid brown rectangular box is centered on the page, containing the text 'Leave Your Message!!' in white, bold, serif font.

Wit Beyond Measure: The Fandom Quiz

The Reflections Team, on behalf of Comascent, organized a quiz competition on 22nd March to represent the theme of the Yearbook 2023. The quiz was open to all final-year students of The Department of Commerce to flaunt the love and knowledge for their favorite fictional realms. The competition received enthusiastic responses and the participating teams had a great time racking their brains, blocking hints and encouraging each other to do their best. 'Wit Beyond Measure' was a wonderland for fantasy and sitcom lovers and a means to revisit their dream world before stepping into the real one.

We thank all the participants for their love for fandoms and congratulate the following winners.

The quiz was really entertaining and I enjoyed all the diverse questions, a little something for everyone. The organizing team was really encouraging and I had great fun :)
