Prof. Promila Kumar

Principal (Offg.)

MESSAGE FROM THE TEACHER-IN-CHARGE

Dear all,

This past year has been a year of unexpected events, with its own set of learning experiences. It's time to reflect, ponder and contemplate where humankind is heading with its sole focus on gratification of limitless human wants. In this pursuit of attaining ultimate happiness, we turned a blind eye to indispensable, invaluable aspects of living - the crucial role of nature and environment in sustaining and nurturing life on this planet. Even today, after the escalation of man's selfish motives resulting in environmental degradation, nature hasn't failed to give selflessly to mankind.

Let's for once spend some time to value and appreciate the contribution of the environment in our lives and act to add value to it through our collective efforts towards environmental preservation.

It's time to reflect, time to value, time to act.

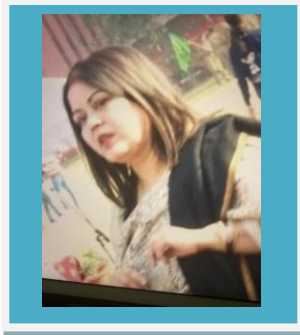

Hoping that as you all move ahead in life, you all will be more sensitive to the needs of mother nature.

Here's wishing our young, creative, talented outgoing batch, a very bright future, successful career and a fulfilling life.

Good luck and best wishes from all of us.

*Dr. Nidhi Gupta
(TIC – 2019-21)*

SURVEY

THE GARGI EXPERIENCE: AN INSIDER'S LOOK

A survey was conducted by the Comascent team amongst the final-year students of B.Com (Hons.) and B.Com of Gargi College, University of Delhi; for which 279 responses were received. The purpose of the study was to know about which spots, treats and experiences in Gargi College were a hit amongst students, and what were some of their most memorable times in this institution.

COLLEGE HANG-OUT SPOTS

What was the best hangout place in college?

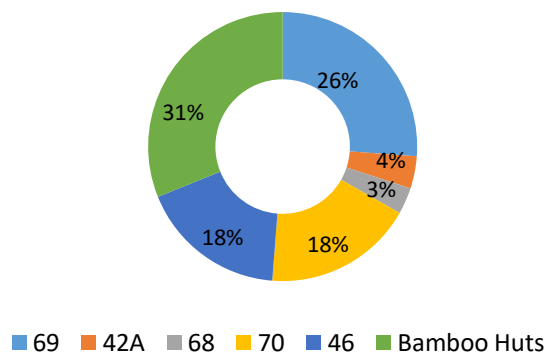

The results show that for 63% of the respondents, Gargi canteen and Nescafe are the best hang-out spots in college.

This perhaps proves that the best way to someone's heart is through their stomach!

Approximately 24% of the respondents chose Arts Quad as their favourite spot, surely reminiscing about the wide, cement steps and the lush, green grass.

FAVOURITE CLASSROOM

What's your favourite room for classes?

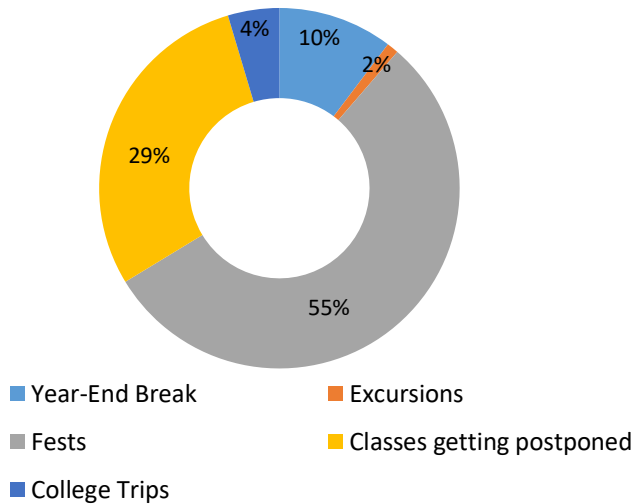

For 31% of the respondents, Bamboo Huts were their favourite classroom whereas 26% of the respondents chose Room No. 69.

18% of the students preferred Room No. 70 and an equal percentage of respondents liked Room No. 46. This proves that these classrooms were not just four wall rooms but they were, indeed destinations of joys and memories.

MOMENTS TO LOOK FORWARD TO

What did you always look forward to?

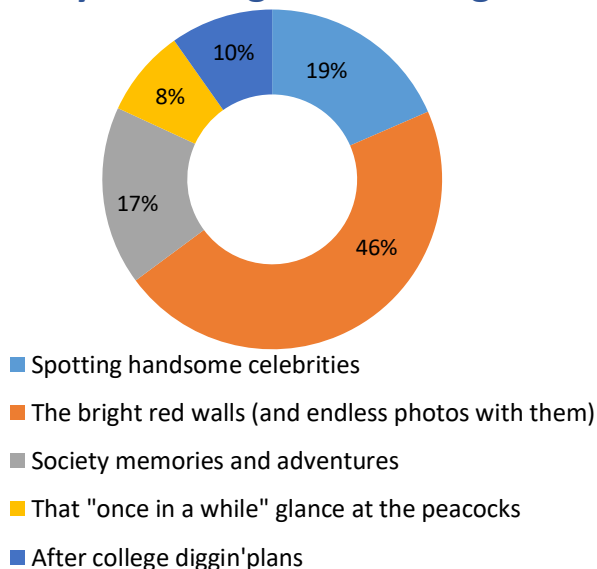

More than half of the students looked forward to fests. After all, where else do you get the tastiest food, the cutest trinkets, the best live music and all your friends in one place?

29% of the students looked forward to postponement of classes.

After all, what can be more blissful than an extra hour of chit-chat with your friends in Nescafe and canteen?

A SPECIAL GARGI HIGHLIGHT

What was a special highlight of your college life at Gargi?

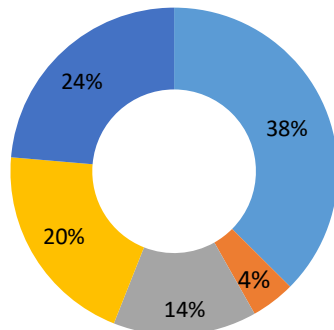

More than 46% of the respondents preferred the iconic red walls of Gargi as their special highlight, and rightly so! We all need one "red wall" picture on our Instagram feed, don't we?

On the other hand, 19% of the students responded that spotting handsome celebrities was a special, once in a lifetime, moment.

17% of the students felt that being a part of college society is something that they will cherish forever.

GARGI'S TASTY TREATS

Which Gargi treat always had you coming back for more?

- Warm, soupy maggi
- Steaming hot momos
- Ice cool cold coffee
- Fluffy chhole-bhature
- Refreshing iced tea

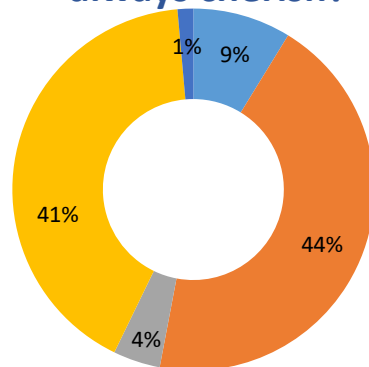

When it comes to the tasty treats that Gargi has to offer, 38% of the total respondents chose the spicy, soupy, tummy-warming Maggi as their favorite.

However, 24% of the respondents said that sweet and cool iced tea at Nescafe was always the best way to beat the Delhi heat.

20% of the respondents chose the fluffy and lip-smacking Chhole-Bhature as their go-to snack.

A FEELING YOU WILL ALWAYS CHERISH

What is a satisfying feeling you'll always cherish?

- Finally getting your ID and showing it to the security guard
- Finding that one spot where network is strong
- Getting that little bit of extra iced tea
- Classes getting postponed when you're feeling the laziest
- Snatching a good bargain at the fest stalls

When asked about a satisfying feeling they will always cherish, 44% of the respondents said that it was finding an area with strong network connectivity when urgent work had to be done.

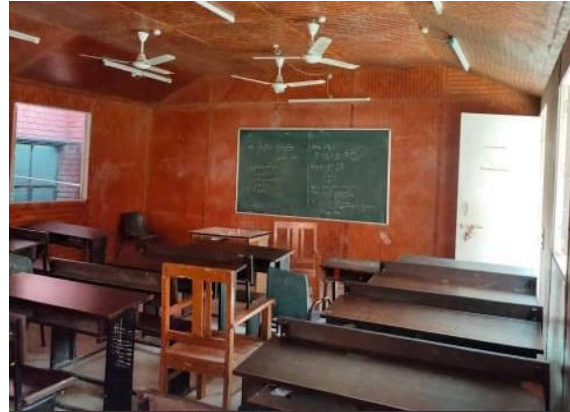

41% of the students responded that the classes getting postponed when they felt the laziest was the feeling they always cherished.

9% of the respondents said that getting the ID and showing it to the security guard was a feeling they can never forget.

HIGHLIGHTS OF THE SURVEY

Gargi canteen and Nescafe are the most preferred hangout spots.

Bamboo Huts were one of the many rooms which served as a comfort zone for respondents and contained tons of memories.

'Annual fests' and 'classes getting postponed' were the most looked forward

Warm, soupy maggi, cool iced tea and chhole-bhature were the chosen tasty treats of Gargi College.

Finding an area with strong network connectivity was the most satisfying feeling ever and a snap in front of the red walls is a 'must do.'

SURVEY

FUTURE PLANS

A survey was conducted by the Comascent Team amongst the outgoing batch of the Commerce Department, to know about their plans after graduation; specifically, about the courses they wish to pursue, exams they have appeared for and placements. The following analysis reveals the insights gathered from 113 responses the team received.

AFTER GRADUATION PLANS

What are your plans after graduation?

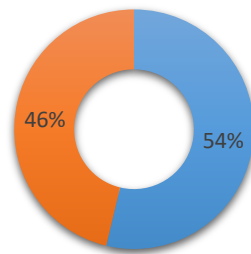

■ Higher Education ■ Employment ■ Self-Employment/Start-Up ■ Others

Approximately 56% of the respondents wish to pursue higher education after graduation, whereas 35% of the respondents plan to take up a job. The remaining 9% either wants to create their own start-up, or pursue other activities.

PLACEMENTS

If you will be working after college, did you get placed through campus or by yourself?

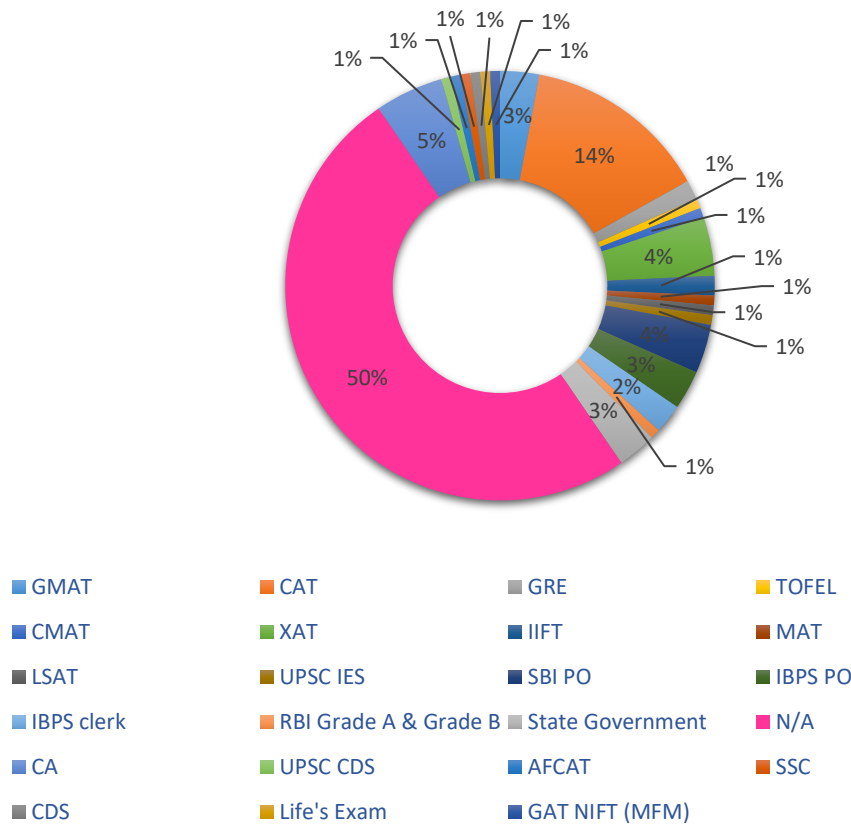

■ Campus Placement ■ Self

Majority of the respondents got placed from the campus, whereas 46% of the respondents preferred to be placed on their own.

While both campus placement and self-placement have a neck-to-neck popularity, the trend ball is still in the court of campus placements.

ENTRANCES AND EXAMS

Which of the following exams have you appeared for, if any?

50% of the respondents have appeared for competitive exams.

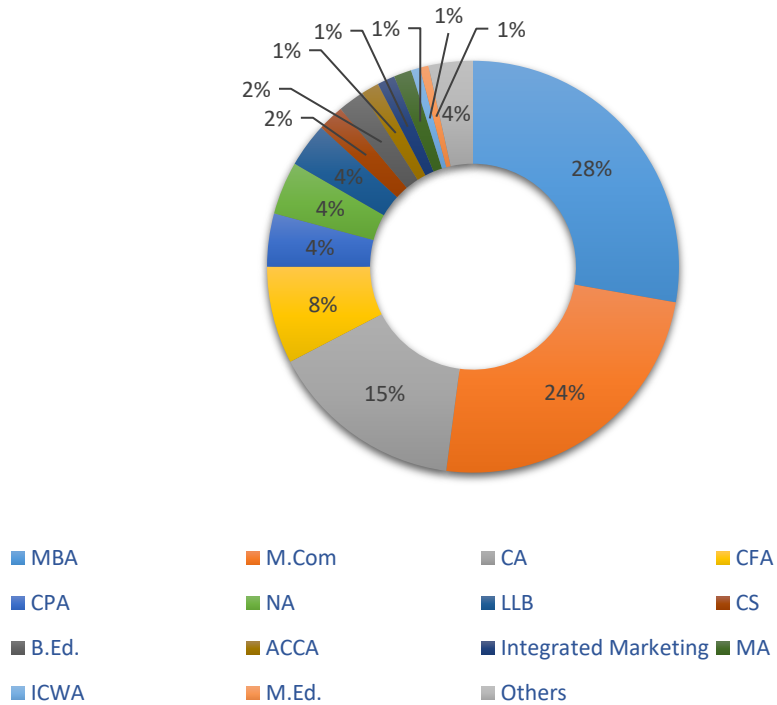

CAT was the most popular choice, with 14% of the respondents appearing for it, out of which more than half have managed to clear it; XAT and GMAT followed after, in terms of popularity. Similarly, approximately 5% of the respondents appeared for CA Foundation and CA Intermediate exams, out of which 80% of them have cleared the exams.

About 3% of the respondents have applied for State Government exams, whereas 9% of the respondents have appeared for SBI, RBI, ICICI and IBPS exams.

Thus, it is evident that the pandemic has not stopped respondents' drive to pursue greater heights and achieve their goals.

FURTHER STUDIES

If you are planning to pursue further studies, which of the following courses will you apply for, or are currently pursuing?

Out of all the respondents, 28% of the respondents plan to appear for MBA, whereas 24% of the respondents plan to pursue M.Com after graduation.

Professional courses also have a significant number of aspirants with 15%, 8% and 4% planning to pursue CA, CFA and CPA after graduation, respectively. A few respondents also wish to pursue CS and ACCA.

Some respondents were also interested in courses such as B.Ed., LLB, Integrated Marketing and more.

Approximately 3% of the respondents were interested in pursuing courses in designing, fellowships and Masters in International Business as well.

SIGNIFICANT FINDINGS

- Most respondents wish to do higher education after their graduation; MBA being the most preferred course.
- CAT, CA Foundation and CA Intermediate are the most sought after courses.
- Despite the pandemic, a good number of respondents were able to get placed through campus placement.
- Many respondents have appeared for a wide range of exams and managed to successfully clear them.
- In spite of the hardships of lockdown, the respondents remained focused on their career and achieved great heights.
