

SEMINAR by CAREER LAUNCHER

MBA: The Best Career Option

The Commerce Association of Gargi College, in collaboration with Career Launcher, hosted a session on "MBA: The Best Career Option" on 4th November, 2022. The guest speaker Mr. Sudeep Chauhan, currently working with CL in business development is an MBA - HM graduate with over 14 years of experience, a Hotelier with worldwide expertise, and a Banker with over 7 years of experience.

The session started with a brief introduction and after that the most essential question of "why MBA?" was addressed. Students were given information on how to apply, tuition costs, return on investment, and the highest pay ranges in addition to a list of the top 25 MBA programmes in India. He further explained the MBA Admission process and ways through which candidates can build a strong profile. The emphasis was given on how an MBA is unquestionably one of the best degrees for a career change, as it allows for specialisation in Finance, Marketing, Human Resources, Operations, IT, and Business Analytics. The important CAT success parameters - accuracy, speed, and question selection - were thoroughly explained.
