Dear All,

I had a detailed and fruitful telephonic conversation with the Principal, Dr. Promila Kumar, yesterday evening, that is on 11/06/2020. The following points emerged during the discussion:

1. Since all activities of the University are being organised online, including the process of learning and examination, it was felt that the deserving students of Gargi College should be acknowledged for their academic and co-curricular excellence online this year, due to the prevailing circumstances.
2. The Prize Committee may resume work with immediate effect (which has already started), in order to facilitate the process of conferring academic and co-curricular awards and prizes, as has been the practice in Gargi College for the past many years.
3. The college will be awarding e-Certificates to all deserving students for their academic excellence in the academic year 2018-2019, and for all other categories for the year 2019-2020, such as All Rounders, Long Strider, and other fields, as well as co-curricular, including sports, etc.
4. The college will be transferring the amount of prize money directly to the accounts of the prize winners.
5. The college may not be able to organise a ceremony where certificates, prize money and plaques are handed over in person, under the prevailing circumstances.
6. Data may be collected afresh from all candidates/departments in a suitable format, so as to facilitate the online process. The Prize Committee may adopt the best possible method to work out the entire process smoothly.
7. All prize donors may be contacted for the purpose.

I have copied all members of the Prize Committee, and the Principal, Dr. Promila Kumar so as to record the development of events in this direction.

The above mentioned points may be taken as the basis for this year's work by the Prize Committee.

Thank you.

Warm Regards  
Dr. Shatarupa Sinha
