

Dear Colleague,

W.U.S Health Centre, North Campus , has hosted a vaccination centre w.e.f 18th May, 2021 for Covishield for individuals above 45 years of age. This facility is available for university employees only. Please find attached the notification from W.U.S.

You are requested to communicate this important notice urgently among the employees of your department/college as well as colleagues within the university to enable them to utilise the facility at the earliest.

Stay safe, stay healthy.

Best regards

IQAC Team
