**Warm Greetings from the Department of Political Science,
Gargi College.**

**It gives us immense pleasure to announce our flagship event
Pol Pourri'23 , the Annual Department Fest which aims to
explore New Age India, बस थोड़ा हटके...**

**This year's fest is inspired by India's remarkable journey
across 75 independent years, which has experienced both
highs and lows, is a testament to its ability to survive and
thrive as a diverse yet inclusive state. With that in mind, the
theme of this year's Pol Pourri is "India @75 and Beyond."**

**As a part of Pol Pourri 2023, we are pleased to bring to you a
myriad of imaginative and stimulating events and activities,
in an attempt to stir creativity and engage in insightful
conversations. We hope you have an enriching experience
with us as you partake in our various events.**
