

In-house summer internship program

Gargi College proposes to include interested students to serve as in-house interns during the summer vacations. The objective of this program is to encourage awareness of the academic and non-academic environment of Gargi College and thus promote holistic education. The period of work will be mainly in summer vacations. All summer interns will be given a Certificate of Internship subject to recommendation from their teacher mentor/ TIC/CIC. The TICs/CICs are encouraged to consider this program and may implement this at their departmental level.

The TIC/CICs may give the information for the same in the Google form sent by email to them , latest by the 16th June 2023
