ABOUT US

Placement Cell, Gargi College is a professional body working towards maximizing student welfare. The team consists of a student body of individuals, effortlessly working under a dedicated body of teachers to nurture and prepare students for their future careers and bring success to the reputed institution.

The Placement Cell acts as an interface between the students and recruiters and is responsible for the placement of final year students, providing internship opportunities and grooming the students of all batches.

The Cell also conducts various training programs, workshops, seminars and webinars by industry experts, and regularly takes up various initiatives to develop students' skills and impart knowledge and awareness in multiple areas.
